

Good Morning

Here we are together
But the best of friends must part
So let me sing this parting song
From the bottom of my heart.

Good morning
Good morning
We've danced the whole night through
Good morning
Good morning to you!

Good morning
Good morning
It's great to stay up late
Good morning
Good morning to you!

When the band began to play
The stars were shining bright
Now the milkman's on his way
It's too late to say good night.

So, good morning
Good morning
Sun beams will soon smile through
Good morning
Good morning to you!

Good morning
Good morning
We've danced the whole night through
Good morning
Good morning to you!

Good morning
Good morning
It's great to stay up late
Good morning
Good morning to you!

When the band began to play
The stars were shining bright
Now the milkman's on his way
It's too late to say good night.

So, good morning
Good morning
Sun beams will soon smile through
Good morning
Good morning to you!
