

Side by Side

See that sun in the mornin'
Peekin' over the hill
I'll bet you sure, it always has
And it always will
That's how I feel about someone
And somebody feels about me
We're sure in love with each other
And that's how it'll always be

Oh! we ain't got a barrel of money
Maybe we're ragged and funny
But we'll travel along
Singin' a song
Side by side

Don't know what's comin' tomorrow
Maybe it's trouble and sorrow
But we'll travel the road
Sharin' our load
Side by side

Through all kinds of weather
What if the sky should fall
Just as long as we're together
It doesn't matter at all

When they've all had their quarrels and parted
We'll be the same as we started
Just travelin' along
Singin' our song
Side by side

We're hunting for none something
Something we don't know what
Cause none of us are sat is fied
With thing we know we've got

We all forget about moon light
As soon as we're given our vow
But we'd all be so happy
If we'd start and sing right now

Oh! we ain't got a barrel of money
Maybe we're ragged and funny
But we'll travel along
Singin' a song
Side by side

Don't know what's comin' tomorrow
Maybe it's trouble and sorrow
But we'll travel the road
Sharin' our load
Side by side

Through all kinds of weather
What if the sky should fall
Just as long as we're together
It doesn't matter at all

When they've all had their quarrels and parted
We'll be the same as we started
Just travelin' along
Singin' our song
Side by side
