

What a Wonderful World

I see sun melt the snow, rivers run free.
Boys and girls shriek with laughter and glee.
And I think to myself,
"What a wonderful world."

I see full moon aglow, stars shining bright.
Cool gentle breezes blow in the night.
And I think to myself,
"What a wonderful world."

The promise of spring, soon to be here.
Seeing the friends that we hold so dear.
The daffodils spring up, what a wonderful sight!
Their yellow faces bring such delight!

On a beautiful day, I walk for a while.
Passing other folks, we all share a smile,
And I think to myself,
"What a wonderful world!"
Yes, I think to myself,
"What a wonderful world!"
