

# English Country Garden

How many gentle flowers grow in an English country garden?  
I'll tell you now, of some that I know, and those I miss I hope you'll pardon.  
Daffodils, hearts-ease and phlox, meadow sweet and lilies, stocks,  
Gentle lupins and tall hollyhocks,  
Roses, fox-gloves, snowdrops, forget-me-knots in an English country  
garden.

How many insects find their home in an English country garden?  
I'll tell you now of some that I know, and those I miss, I hope you'll pardon.  
Dragonflies, moths and bees, spiders falling from the trees,  
Butterflies sway in the mild gentle breeze.  
There are hedgehogs that roam and little garden gnomes in an English  
country garden.

How many song-birds make their nest in an English country garden?  
I'll tell you now of some that I know, and those I miss, I hope you'll pardon.  
Babbling, coo-cooing doves, robins and the warbling thrush,  
Blue birds, lark, finch and nightingale.  
We all smile in the spring when the birds all start to sing in an English  
country garden.
