

Lean on Me

Mm, mm, mm, mm
Sometimes in our lives
We all have pain,
we all have sorrow,
But if we are wise
We know that there's always tomorrow.

Lean on me
when you're not strong,
and I'll be your friend
I'll help you carry on.
For it won't be long
till I'm gonna need
somebody to lean on.

Please swallow your pride
if I have faith
you need to borrow.
For no one can fill
those of your needs
that you won't let show.

You just call on me brother
when you need a hand
We all need somebody to lean on.
I just might have a problem
that you'll understand
We all need somebody to lean on.

Lean on me
when you're not strong,
and I'll be your friend
I'll help you carry on.
For it won't be long
till I'm gonna need
somebody to lean on.

You just call on me brother
when you need a hand
We all need somebody to lean on.
I just might have a problem
that you'll understand
We all need somebody to lean on.

If there is a load you have to bear
that you can't carry,
I'm right up the road
I'll share your load
if you just call me.

Call me, call me, call me (repeat)
