

On The Street Where You Live

I have often walked down the street before
But the pavement always stayed beneath my feet before
All at once am I several stories high
Knowing I'm on the street where you live.

I have lilac trees in the heart of town
Can you hear a lark in any other part of town
Does enchantment pour out of every door
No, it's just on the street where you live

And oh the towering feeling
Just to know somehow you are near
The overpowering feeling
That any second you may suddenly appear!

People stop and stare they don't bother me
For there is no-where else on earth that I would rather be
Let the time go by
I won't care if I can be here on the street where you live

(instrumental)

oh the towering feeling just to know somehow you are near
The overpowering feeling that any second you may suddenly appear!
People stop and stare
they don't bother me
For there is no-where else on earth that I would rather be
Let the time go by
I won't care if I can be here on the street where you live
