

Singin' in the Snow

Doodle-doo-doo doo-dee
Doodle-doo doo-dee doo-dee
Doodle-doo-doo doo-dee
Doodle-dow doo-dee doo-da

I'm singin' in the **snow**
Just singin' in the **snow**
What a glorious feeling
I'm happy **you know!**

I'm laughing at clouds
So dark, up above
The sun's in my heart
And I'm ready for love

Let the stormy clouds chase
Everyone from the place
Come on with the **wind**
I've a smile on my face

I'll walk **where you go**
With a **wintery glow**
Just singin',
Singin' in the **snow**

[Dance break]

Let the stormy clouds chase
Everyone from the place
Come on with the **wind**
I've a smile on my face

I'll walk **where you go**
With a **wintery glow**
Just singin'
Singin' in the **snow**
